

# BUY BACK

The 3D Platform Workbench is shipped in a large crate. 3DP recommends storing the crate for future shipments of the printer, but if this is not possible...

## 3D Platform will buy back your crate!

3DP will pay for return shipping and you will receive a refund check in the amount of **\$250** when the crate is returned.

1. Complete the form and email back to [shipping@3DPlatform.com](mailto:shipping@3DPlatform.com) to request a prepaid return shipping label.
2. Schedule your pickup with UPS Freight.
3. Once your request is processed, you will receive a return email with P&D label.
